

# LATE BHAUSAHEB HIRAY S. S. TRUST'S INSTITUTE OF COMPUTER APPLICATION

ISO 9001:2015 CERTIFIED

S. No. 341, Next to New English School, Govt. Colony, Bandra (East), Mumbai 400 051.  
Tel. 91-22-2657 0986 / 892 Telefax : 91-22-2657 3181 Website : [www.hiray.edu.in](http://www.hiray.edu.in) E-mail : [director@hiray.org.in](mailto:director@hiray.org.in)

The Late Bhausaheb Hiray S.S. Trust's Institute of Computer Application Bandra East's Institutions' Innovation Cell (IIC) is in charge of encouraging a research mind-set within the Institute. Investigative activities are done with the goal of making a discovery that can either lead to the creation of new goods or procedures or the enhancement of services that are already in use. Institute can grow in the future by coming up with new products or methods that make their operations better and allow them to grow through research and development.

The Institute of Computer Application Bandra East, which is run by the Late Bhausaheb Hiray S.S. Trust, wants to do study to meet the needs of businesses properly and quickly. The Institute of Computer Application Bandra East, which is run by the Late Bhausaheb Hiray S.S. Trust, has a full-fledged study team where researchers can be creative and are responsible for the projects they work on.

The Institute Of Computer Application Bandra East, which is run by the Late Bhausaheb Hiray S.S. Trust, does research in a number of different IT areas. Before the end of the MCA course, students have to write a research paper in a well-known multidisciplinary peer-reviewed journal.

The Institution's Innovation Cell (IIC) at the Late Bhausaheb Hiray S.S. Trust's Institute Of Computer Application Bandra East does research and development (R&D). The Research Cell wants to do the following:

1. To encourage students and faculty at the institute to have a research culture by encouraging them to go to conferences and workshops and to write research papers in peer-reviewed journals with a high impact factor and journals that are recognized by the UGC.
2. Getting funded research projects and working on them.
3. To do research in the IT areas that were chosen.
4. To look into what part IT applications play in areas that span many fields.
5. To build interdisciplinary networks with business, government, professionals, and study experts so that they can work together on research projects.

The Research Committee meets twice a year and is very important for helping to improve research at the Institute.

The Late Bhausaheb Hiray S.S. Trust's Institute Of Computer Application Bandra East has a Research Cell with a Research Committee made up of experts from different fields. The following people are on the Research Committee:

Sr.No.	Name	Designation	Role
1	Vikram Patalbansi	Deputy Director	Chairman
2	Dr. Rashmita Pradhan	Academic Co-ordinator	Member
3	Ms. Aquila Shaikh	Assistant Professor	Member
4	Dr. Avantika Mahadik	Assistant Professor	Member
