The Government of India formulated the national policy for persons with disabilities in February 2006 which deals with educational rehabilitation of persons with disabilities, therefore in view of this *Late Bhausaheb Hiray S.S. Institute of Computer Application* has implemented these policies in the teaching and learning process.

The Institute's policy recognizes that persons with disabilities are valuable human resources for the institution and seeks to create an environment that provides equal

Policy document

opportunities, protection of their rights and full participation in the academic environment.

The focus of the policy is on the following:

1. To ensure that the design of the building such as ramp/ lift should be according to the disabled persons.

2. To ensure the accessible, gender-sensitive, safe, usable and functional washroom facilities should be provided for disabled persons.

3. To ensure the proper text and pictogram signage such as tactile path, lights, display boards, signposts are necessary, located to be visible and touchable.

4. The use of signage of male and female symbols, in accordance with local customs and standards, with raised outlines and bright colour contrast will be more evident to everyone and particularly helpful for persons with visual impairments.

5. Learners with disabilities need to be adequately and appropriately supported in and out of the classroom with the right resources and assistive technology, and with leadership, teaching staff and college communities that are responsive to their needs.
