BEACH CLEANUP at Juhu Chowpati Mumbai

The Beach clean-Up at Juhu Chowpaty Mumbai in association with Connect for was undertaken by college on the occasion of International Costal clean Up day. The activity included the cleaning of Juhu Chowpati of all the thrash. Students and Facultes of the collede participated in the program amd also inspired the people present on beach to clean the vicinity.

Students learnt about the natural resources to be saved and kept clean and also created an awareness among people present there to keep the beaches clan.

Students and Faculties visited Jeevan Sanwardhan Foundation, Thane and conducted the event as per the Covid-19 government guidelines in the organization. Based on the theme "Aarohan risings amidst the storm", orphans and homeless girls of the foundation were handed out considerable donation. Besides the college students in company with all the children had a great time enjoying music and dancing. Institute donated grocery and other required things as per the trust guidelines.

Students brought some happiness on the faces of these small children during the covid times and donated the essentials to the orphans and those homeless girls.

E-WASTE COLLECTION AND RECYCLING PROGRAM

E-Waste collection and Recycling Program is a drive undertaken by the students of LBHSST's Institute of Computer Application under social cause to collect and dispose of the E-Waste such as CD'S batteries , chargers , cables and other electronics devices and donate it to the recycling centers. By doing the segregation at source , the waste can be recycled and disposed of in a particular manner.

Students understood the amount of e-waste generated and the way in which it should be discarded.

Every year the college organizes an event for Independence Day. Teaching, non-teaching staff and students participate in the event. Flag hoisting is done by the Director, followed by the National Anthem.

On the occasion of Independence Day, our institute organises tree plantation drive to sensitize students towards environment.

Director
