National Conference on Modern Innovations in Technology-2025

Report

Program Driven by	L.B.H.S.S.Trust's Institute of Computer Application IIC in association with Research and Development Cell
Type of Activity	Research Activity
Activity Name	National Conference 2025
Program Theme	Modern Innovations in technology
Mode of Conduct	Hybrid
Time	9:00 am to 5:00 pm
Date	10 – 06 - 2025
Number of student Participants	102
Expenditure Amount ,If any	70,000
Objective	• The primary aim of this conference was to provide a platform for researchers, academicians, industry professionals, and students to present their research findings and explore new trends in modern technology. • Enhanced collaboration among researchers and academic institutions. • Dissemination of recent advancements and research findings. • Motivated students and young researchers to pursue innovation-driven studies.
Benefit in-terms of learning/skill/ knowledge e obtained	• **Inaugural Session** The conference commenced with a warm welcome address by Dr. Rashmita Pradhan, Convenor of the conference. She expressed her gratitude to all dignitaries, participants, and volunteers for their involvement and support. Prof.Dr. Tanuja Mahajan, Director of L.B.H.S.S.T's Institute of

Computer Application, addressed the key insights and future planning of the Institute.

The event was inaugurated by Dr. Pooja Rondale, Chief Guest and Keynote Speaker, who emphasized the importance of continuous research in emerging technologies. The inaugural session was graced by other dignitaries including Dr. Sachin Malave, Dr. Vikram Patalbansi, Ms. Aquila Shaikh and Mrs. Ruth Chavan.

- **Keynote Sessions**

Renowned experts from academia and industry delivered insightful keynote addresses on various themes such as:
- "AI for Social Good" – Dr. Pooja Rondale
- "Modern Data Security Challenges" – Dr. Sachin Malave
- "IoT Applications in Smart Cities" – Dr. Tanuja Mahajan

- **Paper Presentations**

A total of 102 research papers were presented across multiple technical sessions. Participants hailed from various states including Maharashtra, Gujarat, Telangana, Karnataka, and more.

Each session was chaired by esteemed faculty members and panelists. Presentations were held both in offline and online modes, ensuring wider participation.

- **Outcome of the Conference**
- Enhanced collaboration among researchers and academic institutions.
- Dissemination of recent advancements and research findings.
- Motivated students and young researchers to pursue innovation-driven studies.

- **Future Directions**

The success of NCMIT-2025 has encouraged the organizing team to plan for an international version of the conference next year, aiming for broader participation and deeper impact.
